Rubrics : Project

Batch 2017-21
session 2020-21
Sub: Project—II
Code: REN852

Methodology		Scale				
Course Outcome (COs)		1 (0-20%)	2 (20-40%)	3 (40-60%)	4 (60-80%)	5 (80-100%)
CO-1	Presentation and Communitation	Does not communicate properly	Less communicate for audiable	Very good communication	Better communication	Excellent Communication
CO-2	Research & Gather Information	Does not collect any information that relates to the topic	Collects very little information some relates to the topic	collects some basic information most relates to the topic	Collects a good deal of information all relate to the topic.	Collects a great deal of information all relate to the topic.
CO-3	Methodology/design of project	Designing of the project is unacceptable as it has been designed without keeping in view of the standard process available for designing	Designing of the project is Marginally acceptable as it has been designed with keeping in view of the standard process available for designing marginally.	Designing of the project is acceptable as it has been designed with keeping in view of the standard process available for designing	Designing of the project is fairly acceptable as it has been designed withkeeping in view of the standard process available for designing fairly.	Designing of the project is exceptional as it has been designed with keeping in view the standard process available for designing exceptionally.
CO-4	Fulfill team role's duty	Does not perform any duties of assigned team role	Performs very few duties	Perform nearly all duties	Performs almost duties of assigned team role	Performs all duties of assigned team role
CO-5	Societal use of the project or future scope	Not usefull for society and No future scope	Rarely usefull for society and very limited future devlopment scope	Limited use for society and limited future scope	Usefull for society and future scope is there	Excellent Scope of modification and very usefull for society
CO-6	Report writing	Unacceptable	Marginal	Acceptable	Fairly Acceptable	Exceptional
