

Objective No: 2

Broad Objective of Strategic Plan	Deployment Documents.
<p>Become an institute which is able to give near to hundred percent pass results.</p>	<ul style="list-style-type: none">• Extra classes included in time table for weaker students.• Branch Wise Performance award to students for their excellent performance in university exams.• Discount in Academic Fees of students securing more than 90% in University Examinations.

Vision, Mission & PEO of ECE Department

Vision

"To become a department of academic excellence that would produce technically competent and socially responsible professionals in the field of Electronics, Communication and related domains".

Mission

M1: To achieve an educational excellence through effective teaching-learning processes.

M2: To create a conducive atmosphere for self learning to face contemporary challenges.

M3: To foster an environment for nurturing the spirit of creativity, innovation and entrepreneurship with industry participation.

M4: To imbibe professional ethics, social responsibilities and moral values in students and faculty members.

Program Educational Objectives (PEO)

PEO1: Graduates of the program will have multifaceted competency for greater employability and accomplished professional career.

PEO2: Graduates of the program will emerge as leaders and entrepreneurs and will be able to pursue higher education.

PEO3: Graduates of the program will have thorough knowledge and skill set to deal with real-time complex problems.

PEO4: Graduates of the program will be able to adjust to a fast changing world with socially responsible and ethical mindset.
