SOP ON DIFFERENTLY ABLED STUDENTS IN INSTITUTIONS

1. Introduction

The institute is committed to maintaining a non-discriminatory environment and to providing reasonable equal access to all its services, benefits, and facilities, regardless of the physical or cognitive disabilities a student may have. Faculties and staff make sure that differently abled students receive appropriate support in their mobility around campus and their academic and social life. Our belief at the Institute and commitment to diversity is an example enriching our own community and those beyond it.

Differently-abled persons need special arrangements in the environment for their mobility and independent functioning. ITS Engineering College ensures that all existing structures as well as future construction projects in the campuses are made disabled friendly. To suit the special needs of differently-abled persons, College has created special facilities such as ramps, rails and special toilets and made other necessary changes to address the accessibility issues pertaining to disability.

2. Reasonable adjustments for students

The steps, where reasonable structural or physical changes have been made are:

- **widening doorways** to allow a wheelchair to pass through easily
- replacing steps with **ramps**
- relocating light **switches** and door **handles** to a level that considers people who have difficulty in reaching
- providing **accessible toilet facilities** for disabled employees

The college provides special facilities for the differently abled students and persons to provide them opportunities to acquire quality education and to bring them into the main stream of the society

Page 1 of 3
20/03/20
Dr. Sanjay Yadav
Director
ITS Engineering College
Greater Noida

3. Facilities and Resources Available: for differently abled

1 **Qualified counselling/clinical psychologists** are available on all working days to provide necessary guidance and counseling to differently-abled students.

2. **Qualified special educator** is available on call in the event the students are having learning difficulties such as dyslexia, dysgraphia etc.

3. **Physical Facilities:** The college provides special facilities for the differently abled students and persons to provide them opportunities to acquire quality education and to bring them into the main stream of the society. The college has a social responsibility and perception that differently abled students should be respected and treated as a normal human being.

4. **Ramp/Rails:** The college has a special facility of ramp and rails for the differently abled students. The main entrances and exits clearly identifiable and easily accessible. And it can accommodate wheelchair users. Steps and ramps have hand railings and the entrance permitting access to a conveniently located lift.

3. **Rest Rooms:** Separate toilets are available for people with disabilities. They are clearly identifiable and accessible. The doors are wide enough and lockable from inside and releasable from outside. There is enough maneuvering space inside. All floor surfaces are slip resistant. Mirrors, flushing arrangements, dispensers mounted at appropriate heights.

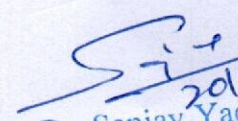

4. **Scribes** for Examination: There are some students who feel difficult to take the examination and they need scribes with them. The college provides or allows the students to take the help of scribes in the examination

5. **Braille Software/facilities:** The differently abled students are provided the facility of the Braille Software to develop their skills. The college helps them to develop their language and other skills through Braille Software.

4. Measures institute is working on for differently abled students joining the institute in order to develop awareness in the higher education system and also to provide necessary guidance and counselling to differently abled persons,

- Ensuring **admission of differently-abled persons** in various courses;
- Provide **guidance and counselling** to differently abled individuals

Page 2 of 3

20/03/20
Dr. Sanjay Yadav
Director
ITS Engineering College
Greater Noida

- **Create awareness** about the needs of differently abled persons, and other general issues concerning their learning
- Assist differently-abled graduates to gain **successful employment** in the public as well as private sectors .It has been felt that differently-abled persons need special arrangements in the environment for their mobility and independent functioning.
- It is also a fact that many institutes have architectural barriers that disabled persons find difficult for their day-today functioning. The colleges is **addressing all accessibility related issues as per the stipulations of the Persons with Disabilities Act 1995**, and ensuring that all existing structures as well as future construction projects in the campuses is made disabled friendly.

Appendix 2: General terms & conditions

KONE Care™

GENERAL TERMS AND CONDITIONS FOR MAINTENANCE SERVICES

1. DEFINITIONS

The following defined words and phrases shall have the following meanings:

Table with 2 columns: Term, Description. Rows include: Commencement Date, End date, Contract, Equipment, Legislative Requirements, Maintenance Services, Normal Working Hours, Party or Parties, Price.

2. PROVISION OF SERVICES BY KONE

KONE shall perform the Maintenance Services as agreed to in the Contract and in these General Terms and Conditions. In performing the said services, KONE shall take all reasonable steps to maintain the Equipment in proper operating condition.

Upon notification by the customer of a breakdown or failure in the elevator, KONE shall send, as soon as may reasonably be possible and during KONE's normal working hours, a technician to carry out necessary repairs in order to restore

the elevator to satisfactory working condition. In performing the services described, KONE will replace (identical or equivalent item) or rectify at its option any component of the elevator rendered defective due to normal wear and tear and arising out of ordinary and reasonable use of the elevator except for such items and conditions which are excluded hereunder as particular and general exclusions.

KONE reserves the right to keep the control cubicle locked. The Equipment under contract will remain out of commissioning while the maintenance process is being carried out. No one will be allowed to use the Equipment during this period.

3. PROVISIONS BY THE CUSTOMER

The CUSTOMER shall promptly inform KONE of any unsatisfactory operation or performance of the Equipment, any accidents or incidents involving the Equipment or any change in the use of the Equipment. The CUSTOMER shall provide a safe and adequate working environment for KONE personnel and reasonable access to carry out the Maintenance Services.

The CUSTOMER shall keep sills, machine room and pit clean. The CUSTOMER shall instruct all persons using the elevator to use it all times in accordance with KONE's reasonable instructions. The CUSTOMER shall ensure to prevent misuse or vandalism of the elevator

The CUSTOMER shall ensure that two trained persons in the building will be available for emergency rescue of trapped passengers. The CUSTOMER shall nominate two persons by name and designation for intimating breakdowns if any, to KONE with clear understanding that instructions of only such persons will be attended by KONE.

The CUSTOMER shall keep the Machine room under lock and key.

The CUSTOMER shall not to allow any other person, either his own or a third party to meddle with, repair or rectify any of the elevator components during the subsistence of this contract with the explicit understanding that any breach of this clause will relieve KONE of all further obligations under this contract.

109

4. PAYMENT AND ADJUSTMENT OF PRICE

Unless otherwise stipulated in the Contract, the Price is due annually in advance by means of Cheque / DD / Online Transfer shall be settled against submission of pro-forma invoice OR within 5 days from receipt of the invoice by the CUSTOMER. The Price may be adjusted annually by KONE in accordance with any increase in the cost of performing the Maintenance Services during any invoicing period. Any such variations will be made according to the price adjustment percentage agreed between the Parties. Further, KONE reserves the right to adjust the Price in the event the main purpose of use of the Equipment materially changes during the Contract Duration Period or in the event new Legislative Requirements enter into force which materially changes the scope of the Maintenance Services or the costs of providing the said services.

The CUSTOMER shall pay in addition to the contract price mentioned here, any tax imposed upon the CUSTOMER, or KONE or KONE's suppliers by any existing or future law, or under any statute, court decisions, rules or regulations becoming effective after the date of this proposal which is based upon or incident to the use, ownership or possession of the materials or equipment involved in the performance here of or service rendered hereunder.

5. DELAYED PAYMENT BY THE CUSTOMER

If the payment of any amount due under the Contract is delayed, KONE shall be entitled to charge interest on such sum at the rate of eighteen per cent (18%) per annum on amount unpaid as per payment terms after date of invoice. KONE shall also have the right, without prejudice to other remedies, to suspend immediately the provision of the Maintenance Services until the payments due to KONE (with interest) have been paid in full.

6. KONE PARTS AND COMPONENTS

All parts and components fitted by KONE will be original parts or components. If original parts or components are not available, the parts or components fitted will be of equal quality and functionality.

It is hereby specifically agreed that KONE would not in any way be liable to replace or repair free of charge, under this contract any damage caused to all or part of the elevator as a consequence of a faulty electrical system, power fluctuations, third party interventions, fire, water seepage flooding etc.

In such an event all repairs and replacements as may be necessitated would be carried out at the cost and expense of the customer. It is recommended that the customer should take adequate protection from Insurance or similar companies to safe guard the equipment for damages that would occur due to such causes. In such an event the cost of repair or replacement should be reimbursed to KONE without any conditions or limitations.

Where materials, component parts or assemblies are no longer available due to obsolescence or if they have been permanently taken out of production by the original supplier, then the supply and use of alternative replacement materials, component parts or assemblies (as the case may be) will be at the cost of the Customer.

Signed For KONE
T-0006102317_V1
Opp. No: 0013089199

In the event KONE consider themselves unable to supply any materials or parts for the purpose of this Agreement, then this agreement shall forthwith terminate without prejudice to KONE's accrued rights and without any liability to KONE for such termination.

7. LIMITATION OF LIABILITY

Notwithstanding any other provisions or indemnities in this Contract, in no event shall KONE be liable to the other party for any loss of profit, use, contracts, business, customers, good will, contractual liabilities of others or for any indirect or consequential loss or damage, which may be suffered by the other party in connection with the Contract. KONE's maximum aggregate liability under or in relation with this Contract shall in no event exceed an amount equal to one year's Contract value per equipment.

8. FORCE MAJEURE AND RELEASE FROM RESPONSIBILITY

KONE shall not be liable for any failure to fulfill any of its obligations under the Contract to the extent that such fulfillment is prevented by circumstances beyond KONE's reasonable control, including but not limited to acts of God, epidemic, acts of government, war, civil commotion, terrorism, material shortages, transportation delays, labour unrest, theft, vandalism, misuse of Equipment, failure of incoming power supply, fire, flood, adverse climate conditions or natural disasters.

9. PROPRIETARY RIGHTS

The proprietary rights to any drawings, technical documentation, software or other intellectual property provided by KONE in the course of and in connection with performance of the Maintenance Services, shall remain solely with KONE. KONE is not expected to assume possession or Management of any part of the equipment and the customer remains exclusively as the owner.

10. TERMINATION OF CONTRACT

The Contract shall remain in force for the Contract Duration Period, unless cancelled in writing by either party, by issuing 90 days notice prior to the desired date of termination. Either Party may terminate the Contract, without satisfying the above time requirements, by giving a written notice to the other Party in the event that the other Party goes into liquidation either compulsorily or voluntarily, or a receiver, administrator or administrative receiver is appointed in respect of the whole or any part of its assets, or if the other Party commits a material breach of the Contract and the said breach has not been remedied within thirty (30) days after receipt of written notice setting forth particulars describing the alleged breach. Further, KONE has the right to terminate the Contract in the event the main purpose of use of the Equipment has materially changed during the Contract Duration Period or the Equipment is serviced or repaired by a third party without the prior written approval by KONE during the Contract Duration Period or the ownership of the building where the Equipment is located is changed.

Signed For Customer

8(9)

112

108

In the event that the Contract is terminated by either Party as set out above, the CUSTOMER's obligations to make payments due under the Contract shall survive the termination and KONE shall be entitled to receive payments from the CUSTOMER for any Maintenance Services performed before the effective date of termination. KONE, in turn, shall return any payments made by the CUSTOMER for Maintenance Services not yet performed, except in the event of termination due to the CUSTOMER's default. In the event the Contract is terminated for any reason whatsoever any Equipment specific maintenance productivity tools will be removed, unless the Customer wishes to purchase such tools at the prevailing market price.

In all circumstances where the Contract is terminated other than for KONE's breach, insolvency or repudiation, a termination fee shall become payable by the CUSTOMER, without prejudice to any of KONE's other rights. The said termination fee is equal to 30% of the Price payable by the Customer for the remaining term of the Contract but for the termination. The Parties agree that the said termination fee is a reasonable pre-estimate of the loss suffered by KONE as a result of the termination.

11. APPLICABLE LAW

In the event of difference or dispute arising out of, under or in connection with this contract / agreement, over the right of obligation of parties hereto, the dispute or difference shall be referred to the Arbitration of a Sole Arbitrator, to be appointed by KONE. The Contract will be governed by the laws of India and the courts of Chennai shall have exclusive jurisdiction over any disputes between the Parties relating to the Contract. and the Provisions of the Arbitration & Conciliation Act 1996 (including any amendments thereto) shall be applicable to such Arbitration award shall be final and binding upon the parties.

12. RESCUE TRAINING

As a part of maintenance, KONE intends to provide basic training to CUSTOMER with respect to rescuing passengers entrapped in elevators under certain limited circumstances. The objective of providing rescue training is to enable the CUSTOMER to understand and identify the risks involved in relation to elevator entrapment situations and related rescue operations, what kind of rescue operation is needed, whether the needed rescue operation can be conducted by the CUSTOMER, and further provide knowledge and teach practical skills needed in the rescue operations. The training would include on site demonstration of limited rescue operations that needs to be taken into account when rescuing passengers including the "dos and don'ts".

This training shall be provided by KONE to the CUSTOMER as a one-time exercise free of cost at the request of CUSTOMER, for any two of the representatives nominated by the CUSTOMER. Subsequent training required to be provided by KONE at any future point of time shall be chargeable on a mutually agreeable basis.

After providing training, KONE and CUSTOMER shall record the fact of having provided such basic training in the format prescribed by KONE. This shall include the names and positions of the CUSTOMER's representative who have participated in the said training. KONE shall always keep the determining record of who have participated in the training.

The CUSTOMER or their representative who has been so trained can thereafter engage in rescuing passengers entrapped in an elevator using solely the methods as trained by KONE.

The CUSTOMER and their representatives acknowledge and understand that they shall not engage in rescue operations for which they are not trained and shall not attempt to rescue any persons following processes, other than those for which they have been trained by KONE. This training shall be valid only for the validity of this contract.

CUSTOMER hereby voluntarily release, forever discharge and agree to indemnify and hold harmless KONE, its directors, officers, employees, agents, subcontractors, volunteers and all other persons or entities acting in any capacity on behalf of KONE from any and all liability, claims, demands or causes of action which may be in any way connected with the participation of the CUSTOMER and/or their representatives in the training activity including all such claims which allege negligent acts or omissions of KONE.

It is specifically agreed that the training provided by KONE shall not absolve the CUSTOMER or their representatives from any negligent and/or any acts of omission or commission that may result in any accident / cause damage either to the entrapped passengers or to the property. KONE shall not be held responsible for any consequences arising out of rescue undertaken by the CUSTOMER or their representatives whether the rescue is happening before, during or after any training provided by KONE. CUSTOMER agrees to indemnify KONE, its directors, officers, employees, agents, subcontractors, volunteers and all other persons or entities acting in any capacity on behalf of KONE against claims, demand, prosecution and/or any charge arising therefrom.

13. MISCELLANEOUS

The Contract constitutes the entire agreement between the Parties, and supersedes all prior negotiations, understandings, representations, and agreements between the Parties, if any. The CUSTOMER represents and warrants that in deciding to enter into the Contract, the CUSTOMER has not relied on any information supplied or statements made by KONE except those set forth in the Contract. The Contract may be amended or varied only by a written instrument signed by duly authorized representatives of both Parties. Any Purchase orders / Work orders issued by the CUSTOMER in connection with the Maintenance Services shall be deemed to be issued for the CUSTOMER's administrative billing purposes only, and the Parties hereby intend that the terms and conditions of the Contract shall exclusively govern any services to be provided hereunder. None of the conditions of the Contract shall be considered waived by either Party unless such waiver is given in writing by the Party. No such waiver shall be a waiver of any past or future default, breach or modification of any of the conditions of the Contract, unless expressly stipulated in such waiver. This Contract can be freely assigned by KONE to any other KONE within KONE group without the prior consent of the Customer. Notwithstanding any transfer of ownership of the building where the Equipment is located or change of the property manager of the said building, this Contract will continue in full force and effect until the end of the Contract Duration Period.

Appendix 2: General terms & conditions

KONE Care™

GENERAL TERMS AND CONDITIONS FOR MAINTENANCE SERVICES

1. DEFINITIONS

The following defined words and phrases shall have the following meanings:

| Term | Description |
|----------------------------|---|
| "Commencement Date" | The date of commencement of the Contract |
| "End date" | The end date of the contract as set out in contract |
| "Contract" | The contract entered into between KONE and the CUSTOMER regarding the provision of Maintenance Services |
| "Equipment" | The Elevators / Escalators listed in the Contract, and related components and parts which are a part of the original supply |
| "Legislative Requirements" | All applicable regulatory and legislative requirements, laws, statutes, regulations and requirements and/or orders set out by any competent authority |
| "Maintenance Services" | All services to be performed by KONE with respect to the Equipment pursuant to the Contract |
| "Normal Working Hours" | The time as specified under the "Contract Details" section |
| "Party" or "Parties" | The Customer and/or KONE |
| "Price" | Consideration payable to KONE by the CUSTOMER for the performance of the Maintenance Services |

2. PROVISION OF SERVICES BY KONE

KONE shall perform the Maintenance Services as agreed to in the Contract and in these General Terms and Conditions. In performing the said services, KONE shall take all reasonable steps to maintain the Equipment in proper operating condition. KONE shall use trained and appropriately supervised personnel to perform the Maintenance Services. The Maintenance Services shall be conducted during the Normal Working Hours. KONE during its normal working hours, shall send at regular intervals and as frequently as the Company thinks necessary, having regard to the age, nature and condition of the elevator, a technician to systematically inspect, adjust and lubricate the parts of the elevator to the extent necessary to maintain the elevator in satisfactory working order. If not separately agreed, any work conducted outside the Normal Working Hours is not included in the Price and shall be invoiced separately. KONE will supply all lubricants (made as per standards of KONE) necessary for this purpose.

Signed For KONE
T-0004261964_V3

[Handwritten signature]

Upon notification by the customer of a breakdown or failure in the elevator, KONE shall send, as soon as may reasonably be possible and during KONE's normal working hours, a technician to carry out necessary repairs in order to restore the elevator to satisfactory working condition.

KONE will carry out according to its standards customary annual safety test to examine all safety devices. KONE will not be required to make any other tests. KONE will neither be required to install new attachments nor to make replacements with parts of a different design to the elevator whether or not recommended or directed by Insurance Companies, or by Governmental or Non-Governmental authorities.

KONE reserves the right to keep the control cubicle locked. The Equipment under contract will remain out of commissioning while the maintenance process is being carried out. No one will be allowed to use the Equipment during this period.

3. PROVISIONS BY THE CUSTOMER

The CUSTOMER shall promptly inform KONE of any unsatisfactory operation or performance of the Equipment, any accidents or incidents involving the Equipment or any change in the use of the Equipment. The CUSTOMER shall provide a safe and adequate working environment for KONE personnel and reasonable access to carry out the Maintenance Services. The CUSTOMER shall be responsible for all wiring in the building structure and power supply necessary for the functioning of the Equipment. The CUSTOMER shall be responsible for any power supply fluctuations or failures causing damage to the Equipment. The CUSTOMER shall comply with all applicable Legislative Requirements, including occupational safety and health regulations.

The CUSTOMER shall keep sills, machine room and pit clean. The CUSTOMER shall instruct all persons using the elevator to use it all times in accordance with KONE's reasonable instructions. The CUSTOMER shall ensure to prevent misuse or vandalism of the elevator

The CUSTOMER shall ensure that two trained persons in the building will be available for emergency rescue of trapped passengers. The CUSTOMER shall nominate two persons by name and designation for intimating breakdowns if any, to KONE with clear understanding that instructions of only such persons will be attended by KONE.

The CUSTOMER shall keep the Machine room under lock and key.

The CUSTOMER shall not to allow any other person, either his own or a third party to meddle with, repair or rectify any of the elevator components during the subsistence of this contract with the explicit understanding that any breach of this clause will relieve KONE of all further obligations under this contract.

4. PAYMENT AND ADJUSTMENT OF PRICE

Unless otherwise stipulated in the Contract, the Price is due annually in advance by means of Cheque / DD / Online Transfer shall be settled against submission of pro-forma invoice OR within 5 days from receipt of the invoice by the CUSTOMER. The Price may be adjusted annually by KONE in accordance with any increase in the cost of performing the Maintenance Services during any invoicing period. Any such variations will be made according to the price adjustment percentage agreed between the Parties. Further, KONE reserves the right to adjust the Price in the event the main purpose of use of the Equipment materially changes during the Contract Duration Period or in the event new Legislative Requirements enter into force which materially changes the scope of the Maintenance Services or the costs of providing the said services.

The CUSTOMER shall pay in addition to the contract price mentioned here, any tax imposed upon the CUSTOMER, or KONE or KONE's suppliers by any existing or future law, or under any statute, court decisions, rules or regulations becoming effective after the date of this proposal which is based upon or incident to the use, ownership or possession of the materials or equipment involved in the performance here of or service rendered hereunder.

5. DELAYED PAYMENT BY THE CUSTOMER

If the payment of any amount due under the Contract is delayed, KONE shall be entitled to charge interest on such sum at the rate of eighteen per cent (18%) per annum on amount unpaid as per payment terms after date of invoice. KONE shall also have the right, without prejudice to other remedies, to suspend immediately the provision of the Maintenance Services until the payments due to KONE (with interest) have been paid in full.

6. KONE PARTS AND COMPONENTS

All parts and components fitted by KONE will be original parts or components. If original parts or components are not available, the parts or components fitted will be of equal quality and functionality.

It is hereby specifically agreed that KONE would not in any way be liable to replace or repair free of charge, under this contract any damage caused to all or part of the elevator as a consequence of a faulty electrical system, power fluctuations, third party interventions, fire, water seepage flooding etc.

In such an event all repairs and replacements as may be necessitated would be carried out at the cost and expense of the customer. It is recommended that the customer should take adequate protection from Insurance or similar companies to safe guard the equipment for damages that would occur due to such causes in such an event the cost of repair or replacement should be reimbursed to KONE without any conditions or limitations.

Where materials, component parts or assemblies are no longer available due to obsolescence or if they have been permanently taken out of production by the original supplier, then the supply and use of alternative replacement materials, component parts or assemblies (as the case may be) will be at the cost of the Customer.

Signed For KONE
T-00J4261964_V3

In the event KONE consider themselves unable to supply any materials or parts for the purpose of this Agreement, then this agreement shall forthwith terminate without prejudice to KONE's accrued rights and without any liability to KONE for such termination.

7. LIMITATION OF LIABILITY

Notwithstanding any other provisions or indemnities in this Contract, in no event shall KONE be liable to the other party for any loss of profit, use, contracts, business, customers, good will, contractual liabilities of others or for any indirect or consequential loss or damage, which may be suffered by the other party in connection with the Contract. KONE's maximum aggregate liability under or in relation with this Contract shall in no event exceed an amount equal to one year's Contract value per equipment.

8. FORCE MAJEURE AND RELEASE FROM RESPONSIBILITY

KONE shall not be liable for any failure to fulfill any of its obligations under the Contract to the extent that such fulfillment is prevented by circumstances beyond KONE's reasonable control, including but not limited to acts of God, epidemic, acts of government, war, civil commotion, terrorism, material shortages, transportation delays, labour unrest, theft, vandalism, misuse of Equipment, failure of incoming power supply, fire, flood, adverse climate conditions or natural disasters.

9. PROPRIETARY RIGHTS

The proprietary rights to any drawings, technical documentation, software or other intellectual property provided by KONE in the course of and in connection with performance of the Maintenance Services, shall remain solely with KONE. KONE is not expected to assume possession or Management of any part of the equipment and the customer remains exclusively as the owner.

10. TERMINATION OF CONTRACT

The Contract shall remain in force for the Contract Duration Period, unless cancelled in writing by either party, by issuing 90 days notice prior to the desired date of termination. Either Party may terminate the Contract, without satisfying the above time requirements, by giving a written notice to the other Party in the event that the other Party goes into liquidation either compulsorily or voluntarily, or a receiver, administrator or administrative receiver is appointed in respect of the whole or any part of its assets, or if the other Party commits a material breach of the Contract and the said breach has not been remedied within thirty (30) days after receipt of written notice setting forth particulars describing the alleged breach. Further, KONE has the right to terminate the Contract in the event the main purpose of use of the Equipment has materially changed during the Contract Duration Period or the Equipment is serviced or repaired by a third party without the prior written approval by KONE during the Contract Duration Period or the ownership of the building where the Equipment is located is changed.

Signed For Customer
07/10/2011
Vinod Chand
Administrator
I.T.S. Engineering College
Greater Noida

In the event that the Contract is terminated by either Party as set out above, the CUSTOMER's obligations to make payments due under the Contract shall survive the termination and KONE shall be entitled to receive payments from the CUSTOMER for any Maintenance Services performed before the effective date of termination. KONE, in turn, shall return any payments made by the CUSTOMER for Maintenance Services not yet performed, except in the event of termination due to the CUSTOMER's default. In the event the Contract is terminated for any reason whatsoever any Equipment specific maintenance productivity tools will be removed, unless the Customer wishes to purchase such tools at the prevailing market price.

In all circumstances where the Contract is terminated other than for KONE's breach, insolvency or repudiation, a termination fee shall become payable by the CUSTOMER, without prejudice to any of KONE's other rights. The said termination fee is equal to 30% of the Price payable by the Customer for the remaining term of the Contract but for the termination. The Parties agree that the said termination fee is a reasonable pre-estimate of the loss suffered by KONE as a result of the termination.

11. APPLICABLE LAW

In the event of difference or dispute arising out of, under or in connection with this contract / agreement, over the right of obligation of parties hereto, the dispute or difference shall be referred to the Arbitration of a Sole Arbitrator, to be appointed by KONE. The Contract will be governed by the laws of India and the courts of Chennai shall have exclusive jurisdiction over any disputes between the Parties relating to the Contract, and the Provisions of the Arbitration & Conciliation Act 1996 (including any amendments thereto) shall be applicable to such Arbitration award shall be final and binding upon the parties.

12. RESCUE TRAINING

As a part of maintenance, KONE intends to provide basic training to CUSTOMER with respect to rescuing passengers entrapped in elevators under certain limited circumstances. The objective of providing rescue training is to enable the CUSTOMER to understand and identify the risks involved in relation to elevator entrapment situations and related rescue operations, what kind of rescue operation is needed, whether the needed rescue operation can be conducted by the CUSTOMER, and further provide knowledge and teach practical skills needed in the rescue operations. The training would include on site demonstration of limited rescue operations that needs to be taken into account when rescuing passengers including the "dos and don'ts".

This training shall be provided by KONE to the CUSTOMER as a one-time exercise free of cost at the request of CUSTOMER, for any two of the representatives nominated by the CUSTOMER. Subsequent training required to be provided by KONE at any future point of time shall be chargeable on a mutually agreeable basis.

After providing training, KONE and CUSTOMER shall record the fact of having provided such basic training in the format prescribed by KONE. This shall include the names and positions of the CUSTOMER's representative who have participated in the said training. KONE shall always keep the determining record of who have participated in the training.

Signed For KONE
T-0004261964_V3

The CUSTOMER or their representative who has been so trained can thereafter engage in rescuing passengers entrapped in an elevator using solely the methods as trained by KONE.

The CUSTOMER and their representatives acknowledge and understand that they shall not engage in rescue operations for which they are not trained and shall not attempt to rescue any persons following processes, other than those for which they have been trained by KONE. This training shall be valid only for the validity of this contract.

CUSTOMER, hereby voluntarily release, forever discharge and agree to indemnify and hold harmless KONE, its directors, officers, employees, agents, subcontractors, volunteers and all other persons or entities acting in any capacity on behalf of KONE from any and all liability, claims, demands or causes of action which may be in any way connected with the participation of the CUSTOMER and/or their representatives in the training activity including all such claims which allege negligent acts or omissions of KONE.

It is specifically agreed that the training provided by KONE shall not absolve the CUSTOMER or their representatives from any negligent and/or any acts of omission or commission that may result in any accident / cause damage either to the entrapped passengers or to the property. KONE shall not be held responsible for any consequences arising out of rescue undertaken by the CUSTOMER or their representatives whether the rescue is happening before, during or after any training provided by KONE. CUSTOMER agrees to indemnify KONE, its directors, officers, employees, agents, subcontractors, volunteers and all other persons or entities acting in any capacity on behalf of KONE against claims, demand, prosecution and/or any charge arising therefrom.

13. MISCELLANEOUS

The Contract constitutes the entire agreement between the Parties, and supersedes all prior negotiations, understandings, representations, and agreements between the Parties, if any. The CUSTOMER represents and warrants that in deciding to enter into the Contract, the CUSTOMER has not relied on any information supplied or statements made by KONE except those set forth in the Contract. The Contract may be amended or varied only by a written instrument signed by duly authorized representatives of both Parties. Any Purchase orders / Work orders issued by the CUSTOMER in connection with the Maintenance Services shall be deemed to be issued for the CUSTOMER's administrative billing purposes only, and the Parties hereby intend that the terms and conditions of the Contract shall exclusively govern any services to be provided hereunder. None of the conditions of the Contract shall be considered waived by either Party unless such waiver is given in writing by the Party. No such waiver shall be a waiver of any past or future default, breach or modification of any of the conditions of the Contract, unless expressly stipulated in such waiver. This Contract can be freely assigned by KONE to any other KONE within KONE group without the prior consent of the Customer. Notwithstanding any transfer of ownership of the building where the Equipment is located or change of the property manager of the said building, this Contract will continue in full force and effect until the end of the Contract Duration Period.

KONE Care™ contract

Dear

We wish to express our sincere gratitude to you for continuing to be KONE customer.

Your continued patronage has helped us to provide uninterrupted services to KONE Elevators / Escalators in your premises. It has been our endeavor to ensure a safe and comfortable ride for all users of KONE Equipment in your building.

It is quite some time, since we signed the full set of contract documents; hence it is time for us to renew our agreement towards the scope, terms & conditions of the referred Maintenance Contract. Further, the costs of labour and material have seen a substantial upward movement during the last one year. We are forced to pass on a certain portion of the increased cost to continue maintaining our service routines. Accordingly, we propose a nominal increase over the present contract value.

Enclosed please find the contract document. We would request you to please sign the copies on each page and return to us to enable us, process your instruction as speedily and efficiently as possible.

However should you have any questions regarding our proposal, or require any further information, please do not hesitate to contact us.

Yours sincerely
KONE Elevator India Pvt Ltd

Appendix - Service Description

Scope of contract: KONE Care Plus™

Equipment type: Elevator

This contract meets all the relevant requirements of the current statutory regulations.

Description of work

KONE Modular based maintenance™

KONE Modular based maintenance™ is KONE's preventive maintenance method. Maintenance activities are done according to equipment specific maintenance plan. Pre-defined maintenance modules include the maintenance actions for each main component of the equipment.

KONE Customer Care Centre™

KONE Customer Care Center is a 24/7 helpdesk for reporting technical failures and faults in the elevators, escalators and doors or for requests of other assistance on site. KONE Customer Care Center can be easily accessed through one national phone number.

KONE Customer Care Center personnel answer to service requests and dispatch KONE technicians to perform the Call-Out and Entrapment Rescue Services. Service requests for non-urgent Service Repair work is assigned to KONE field operations.

Call-out service

Call-out Service is designed to solve unexpected equipment failure, equipment stoppage or erratic operation, requiring immediate attention of a KONE Technician. Response Times are committed by KONE under mutual consent with customer.

Agreed Maintenance Times

Maintenance carried out during normal working hours (Monday - Saturday 08:30 - 17:30)

KONE Care™

GENERAL TERMS AND CONDITIONS FOR MAINTENANCE SERVICES

1 DEFINITIONS

The following defined words and phrases shall have the following meanings:

| Term | Description |
|----------------------------|--|
| "Commencement Date" | The date of commencement of the Contract |
| "Contract" | The contract entered into between KONE and the CUSTOMER regarding the provision of Maintenance Services |
| "Contract Duration Period" | The duration period of the Contract as set out in the Contract. |
| "Equipment" | The elevators listed in the Contract, and related components and parts which are a part of the original supply |
| "Legislative Requirements" | All applicable regulatory and legislative requirements, laws, statutes, regulations and requirements and/or orders set out by any competent authority. |
| "Maintenance Services" | All services to be performed by KONE with respect to the Equipment pursuant to the Contract |
| "Normal Working Hours" | The time as specified under the "Contract Details" section |
| "Party" or "Parties" | The CUSTOMER and/or KONE |
| "Price" | Consideration payable to KONE by the CUSTOMER for the performance of the Maintenance Services |

2. PROVISION OF MAINTENANCE SERVICES BY KONE

KONE shall perform the Maintenance Services as agreed to in the Contract and in these General Terms and Conditions. In performing the said services, KONE shall take all reasonable steps to maintain the Equipment in proper operating condition. KONE shall use trained and appropriately supervised personnel to perform the Maintenance Services. The Maintenance Services shall be conducted during the Normal Working Hours. KONE during its normal working hours, shall send at regular intervals and as frequently as the Company thinks necessary, having regard to the age, nature and condition of the elevator (but not less than 12 (Twelve) times per annum), a technician to systematically inspect, adjust and lubricate the parts of the elevator to the extent necessary to maintain the elevator in satisfactory working order. . If not separately agreed, any work conducted outside the Normal Working Hours is not included in the Price and shall be invoiced separately. KONE will supply all lubricants (made as per standards of KONE) necessary for this purpose.

Upon notification by the customer of a breakdown or failure in the elevator, KONE shall send, as soon as may reasonably be possible and during KONE's normal working hours, a technician to carry out necessary repairs in order to restore the elevator to satisfactory working condition.

KONE will carry out according to its standards customary annual safety test to examine all safety devices. KONE will not be required to make any other tests. KONE will neither be required to install new attachments nor to make replacements with parts of a different design to the elevator whether or not recommended or directed by Insurance Companies, or by Governmental or Non-Governmental authorities.

In performing the services described, KONE will replace (identical or equivalent item) or rectify at its option any component of the elevator rendered defective due to normal wear and tear and arising out of ordinary and reasonable use of the elevator except for such items and conditions which are excluded hereunder as particular and general exclusions. The parts which are replaced shall become KONE's property.

KONE reserves the right to keep the control cubicle locked. The Equipment under contract will remain out of commissioning while the maintenance process is being carried out. No one will be allowed to use the Equipment during this period.

3. PROVISIONS BY THE CUSTOMER

The CUSTOMER shall promptly inform KONE of any unsatisfactory operation or performance of the Equipment, any accidents or incidents involving the Equipment or any change in the use of the Equipment. The CUSTOMER shall provide a safe and adequate working environment for KONE personnel and reasonable access to carry out the Maintenance Services. The CUSTOMER shall be responsible for all wiring in the building structure and power supply necessary for the functioning of the Equipment. The CUSTOMER shall be responsible for any power supply fluctuations or failures causing damage to the Equipment. The CUSTOMER shall comply with all applicable Legislative Requirements, including occupational safety and health regulations.

The CUSTOMER shall keep sills, machine room and pit clean. The CUSTOMER shall instruct all persons using the elevator to use it all times in accordance with KONE's reasonable instructions. The CUSTOMER shall ensure to prevent misuse or vandalism of the elevator

The CUSTOMER shall ensure that two trained persons in the building will be available for emergency rescue of trapped passengers. The CUSTOMER shall nominate two persons by name and designation for intimating breakdowns if any, to KONE with clear understanding that instructions of only such persons will be attended by KONE.

The CUSTOMER shall keep the m/c room under lock and key.

The CUSTOMER shall not to allow any other person, either his own or a third party to meddle with, repair or rectify any of the elevator components during the subsistence of this contract with the explicit understanding that any breach of this clause will relieve KONE of all further obligations under this contract.

4. PAYMENT AND ADJUSTMENT OF PRICE

Unless otherwise stipulated in the Contract, the Price is due annually in advance by means of cheque / DD shall be settled against submission of pro-forma invoice OR within 5 days from receipt of the invoice by the CUSTOMER. The Price is exclusive of Taxes as applicable. The Price may be adjusted annually by KONE in accordance with any increase in the cost of performing the Maintenance Services during any invoicing period. Any such variations will be made according to the price adjustment percentage agreed between the Parties. Further, KONE reserves the right to adjust the Price in the event the main purpose of use of the Equipment materially changes during the Contract Duration Period or in the event new Legislative Requirements enter into force which materially changes the scope of the Maintenance Services or the costs of providing the said services.

The CUSTOMER shall pay in addition to the contract price mentioned here, any tax imposed upon the CUSTOMER, or KONE or KONE's suppliers by any existing or future law, or under any statute court decision, rule or regulations becoming effective after the date of this proposal which is based upon or incident to the use, ownership or possession of the materials or equipment involved in the performance here of or service rendered hereunder.

5. DELAYED PAYMENT BY THE CUSTOMER

If the payment of any amount due under the Contract is delayed, KONE shall be entitled to charge interest on such sum at the rate of eighteen per cent (18%) per annum on amount unpaid as per payment terms after date of invoice. KONE shall also have the right, without prejudice to other remedies, to suspend immediately the provision of the Maintenance Services until the payments due to KONE (with interest) have been paid in full.

6. KONE PARTS AND COMPONENTS

All parts and components fitted by KONE will be original parts or components. If original parts or components are not available, the parts or components fitted will be of equal quality and functionality. KONE's liability to the CUSTOMER for any defects in design, materials or workmanship relating to parts and components shall be limited to the replacement of spare parts or components as defined by this Article 6.

a) Refinishing, repair or replacement of following components are out side the scope of this contract:

- I. Elevator car enclosure
- II. Elevator car and landing door panels / gates
- III. Bulbs (including indicator bulbs, fluorescent tubes) and alarm bell/buzzer
- IV. Cabin fans
- V. Incoming Electrical wiring up to main switches in the m/c room
- VI. Main switches in the m/c room
- VII. Dry cells , batteries & LCDs.
- VIII. Any other equipment or accessory not forming part of the initial supply of the elevator equipment although provided as a necessary accessory by or to the customer .This includes Accessories such as EBD / KRD , Intercom , LAS ,BMS,DCS,E-Link & Group Indicators .
- IX. Decorative items including mirror and hand rail

b) It is hereby specifically agreed that KONE would not in any way be liable to replace or repair free of charge, under this contract any damage caused to all or part of the elevator as a consequence of a faulty electrical system, fire , water seepage flooding etc. In such an event all repairs and replacements as may be necessitated would be carried out at the cost and expense of the customer. It is recommended that the customer should take adequate protection from Insurance or similar companies to safe guard the equipment for damages that would occur due to such causes. In such

an event the cost of repair or replacement should be reimbursed to KONE without any conditions or limitations.

Where materials, component parts or assemblies are no longer available due to obsolescence or if they have been permanently taken out of production by the original supplier, then the supply and use of alternative replacement materials, component parts or assemblies (as the case may be) will be at the cost of the Customer. In the event KONE consider themselves unable to supply any materials or parts for the purpose of this Agreement, then this agreement shall forthwith terminate without prejudice to KONE's accrued rights and without any liability to KONE for such termination.

7. LIMITATION OF LIABILITY

Notwithstanding any other provisions or indemnities in this Contract, in no event shall KONE be liable to the other party for any loss of profit, use, contracts, business, customers, good will, contractual liabilities of others or for any indirect or consequential loss or damage, which may be suffered by the other party in connection with the Contract. KONE's maximum aggregate liability under or in relation with this Contract shall in no event exceed an amount equal to one year's Contract value per equipment.

8. FORCE MAJEURE AND RELEASE FROM RESPONSIBILITY

KONE shall not be liable for any failure to fulfill any of its obligations under the Contract to the extent that such fulfillment is prevented by circumstances beyond KONE's reasonable control, including but not limited to acts of God, epidemic, acts of government, war, civil commotion, terrorism, material shortages, transportation delays, labour unrest, theft, vandalism, misuse of Equipment, failure of incoming power supply, fire, flood, adverse climate conditions or natural disasters.

9. PROPERTY RIGHTS

The proprietary rights to any drawings, technical documentation, software or other intellectual property provided by KONE in the course of and in connection with performance of the Maintenance Services, shall remain solely with KONE. KONE is not expected to assume possession or Management of any part of the equipment and the customer remains exclusively as the owner.

10. TERMINATION OF CONTRACT

The Contract shall remain in force for the Contract Duration Period, unless cancelled in writing by either party ninety (90) days prior to the desired date of termination. Either Party may terminate the Contract, without satisfying the above time requirements, by giving a written notice to the other Party in the event that the other Party goes into liquidation either compulsorily or voluntarily, or a receiver, administrator or administrative receiver is appointed in respect of the whole or any part of its assets, or if the other Party commits a material breach of the Contract and the said breach has not been remedied within thirty (30) days after receipt of written notice setting forth particulars describing the alleged breach. Further, KONE has the right to terminate the Contract in the event the main purpose of use of the Equipment has materially changed during the Contract Duration Period or the Equipment is serviced or repaired by a third party without the prior written approval by KONE during the Contract Duration Period or the ownership of the building where the Equipment is located is changed.

In the event that the Contract is terminated by either Party as set out above, the CUSTOMER's obligations to make payments due under the Contract shall survive the termination and KONE shall be entitled to receive payments from the CUSTOMER for any Maintenance Services performed before the effective date of termination. KONE, in turn, shall return any payments made by the CUSTOMER for Maintenance Services not yet performed, except in the event of termination due to the CUSTOMER's default. In the event the Contract is terminated for any reason whatsoever any Equipment specific maintenance productivity tools will be removed, unless the Customer wishes to purchase such tools at the prevailing market price.

In all circumstances where the Contract is terminated other than for KONE's breach, insolvency or repudiation, a termination fee shall become payable by the CUSTOMER, without prejudice to any of KONE's other rights. The said termination fee is equal to 30% of the Price payable by the Customer for the remaining term of the Contract but for the termination. The Parties agree that the said termination fee is a reasonable pre-estimate of the loss suffered by KONE as a result of the termination.

11. APPLICABLE LAW

In the event of difference or dispute arising out of, under or in connection with this contract / agreement, over the right of obligation of parties hereto, the dispute or difference shall be referred to the Arbitration of a Sole Arbitrator, to be appointed by KONE. The Contract will be governed by the laws of India and the courts of Chennai shall have sole jurisdiction over any disputes between the Parties relating to the Contract. and the Provisions of the Arbitration & Conciliation Act 1996 shall be applicable to such Arbitration.

12. RESCUE TRAINING

As a part of maintenance, KONE intends to provide basic training to CUSTOMER with respect to rescuing passengers entrapped in elevators under certain limited circumstances.

The objective of providing rescue training is to enable the CUSTOMER to understand and identify the risks involved in relation to elevator entrapment situations and related rescue operations, what kind of rescue operation is needed, whether the needed rescue operation can be conducted by the CUSTOMER, and further provide knowledge and teach practical skills needed in the rescue operations. The training would include on site demonstration of limited rescue operations that needs to be taken into account when rescuing passengers including the "dos and don'ts".

This training shall be provided by KONE to the CUSTOMER as a one-time exercise free of cost at the request of CUSTOMER, for any two of the representatives nominated by the CUSTOMER. Subsequent training required to be provided by KONE at any future point of time shall be chargeable on a mutually agreeable basis.

After providing training, KONE and CUSTOMER shall record the fact of having provided such basic training in the format prescribed by KONE. This shall include the names and positions of the CUSTOMER's representative who have participated in the said training. KONE shall always keep the determining record of who have participated in the training. The CUSTOMER or their representative who has been so trained can thereafter engage in rescuing passengers entrapped in an elevator using solely the methods as trained by KONE.

The CUSTOMER and their representatives acknowledge and understand that they shall not engage in rescue operations for which they are not trained and shall not attempt to rescue any persons following processes, other than those for which

they have been trained by KONE. This training shall be valid only for the validity of this contract.

CUSTOMER hereby voluntarily release, forever discharge and agree to indemnify and hold harmless KONE, its directors, officers, employees, agents, subcontractors, volunteers and all other persons or entities acting in any capacity on behalf of KONE from any and all liability, claims, demands or causes of action which may be in any way connected with the participation of the CUSTOMER and/or their representatives in the training activity including all such claims which allege negligent acts or omissions of KONE.

It is specifically agreed that the training provided by KONE shall not absolve the CUSTOMER or their representatives from any negligent and/or any acts of omission or commission that may result in any accident / cause damage either to the entrapped passengers or to the property. KONE shall not be held responsible for any consequences arising out of rescue undertaken by the CUSTOMER or their representatives whether the rescue is happening before, during or after any training provided by KONE. CUSTOMER agrees to indemnify KONE, its directors, officers, employees, agents, subcontractors, volunteers and all other persons or entities acting in any capacity on behalf of KONE against claims, demand, prosecution and/or any charge arising therefrom.

13. MISCELLANEOUS

The Contract constitutes the entire agreement between the Parties, and supersedes all prior negotiations, understandings, representations, and agreements between the Parties, if any. The CUSTOMER represents and warrants that in deciding to enter into the Contract, the CUSTOMER has not relied on any information supplied or statements made by KONE except those set forth in the Contract. The Contract may be amended or varied only by a written instrument signed by duly authorized representatives of both Parties. Any purchase order issued by the CUSTOMER in connection with the Maintenance Services shall be deemed to be issued for the CUSTOMER's administrative billing purposes only, and the Parties hereby intend that the terms and conditions of the Contract shall exclusively govern any services to be provided hereunder. None of the conditions of the Contract shall be considered waived by either Party unless such waiver is given in writing by the Party. No such waiver shall be a waiver of any past or future default, breach or modification of any of the conditions of the Contract, unless expressly stipulated in such waiver. This Contract can be freely assigned by KONE to any other KONE within KONE group without the prior consent of the Customer. Notwithstanding any transfer of ownership of the building where the Equipment is located or change of the property manager of the said building, this Contract will continue in full force and effect until the end of the Contract Duration Period.
