

2.3.2 Teachers use ICT enabled tools for effective teaching learning process

The College follows ICT enabled teaching in addition to the traditional classroom education. Subsequent efforts are taken by the College to provide e-learning atmosphere in the classroom:

- In addition to chalk and talk method of teaching, the faculty members are using the IT enabled learning tools such as PPT, Video clippings , Audio system, online sources, to expose the students for advanced knowledge and practical learning.
- Each classroom is fully furnished with LCD/OHP/Computers.
- Most of the faculty use interactive methods for teaching. The major emphasis is on classroom interaction in terms of research paper presentations, seminars, debates, group discussions, assignments, quiz/tests/viva and laboratory works.
- College provide online library facility for faculties as well as student for enhancing their skills by e-consortium.
- For online teaching learning college provide the facility of virtual lab, software lab, NPTEL, Edx and simulation tools.

College premises are Wi-Fi enabled

- Specialized computer laboratory with an internet connection has been provided to promote independent learning. Wi-Fi facility for access of internet is provided on individual laptop and mobile devices throughout the campus premises.
- Well security is provided to Wi-Fi users and it is accessed and controlled by the system administrator.
