I.T.S ENGINEERING COLLEGE CELEBRATES WORLD ENVIRONMENT DAY 2020

World Environment Day is a UN Environment-led global event, the sole largest celebration of our environment each year, which takes place on June 5 and is celebrated by thousands of communities worldwide. Since its commencement in 1972, it has grown to become a global platform for public outreach that is widely celebrated across the globe.

World Environment Day celebrated on Friday, June 5th, 2020. The theme of this World Environment Day is "Biodiversity." This year the host of World Environment Day is Colombia.

Reflecting the Indian philosophy and lifestyle of co-existence with nature, I.T.S Engineering College – a premier technical institute in Greater Noida has also contributed in a small way to celebrate World Environment Day coordinated by Dr P. C Jha.

Dr. Vikas Singh, Executive Director, I.T.S Engineering College after planting sapling urged everyone to come together in fighting the global menace of Pollution and decreasing biodiversity.

Dr Singh also said that the only way to achieve this is to plant more diverse trees which will help to decrease pollution level and increase biodiversity of our ecosystem.

"Awareness on Water Bodies" Campaign in Nawada and Atta Gujran Village by Unnat Bharat Abhiyan Team

Date of Campaign: 10/08/2019

Time: 09:30AM to 1:00PM

Venue: Village Nawada & Atta Gujran

Members Present:

- 1. Mr. Sandeep Kumar (Coordinator)
- 2. Dr. Kuldeep Malik (CSE)
- 3. Mr. Prabhakar Sharma (ECE)
- 4. Mr. Surendra Singh (ASH)
- 5. Mr. Sachin Sinha (MBA)
- 6. Mr. Amit Gupta (ME)

Objective: To motivate people towards sustainable use of water and other natural resources through optimum utilization.

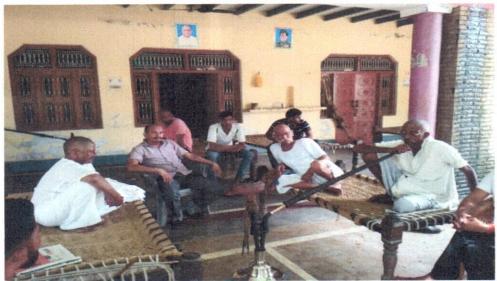

Report:

Nawada and Atta Gujran are well populated villages and many villagers are still farmers. They use water for the farming as well for their households. Our team members visited both the villages and shared different irrigation techniques (drip and sprinkle) to increase the crop productivity while conserving water. They also shared water problems of Bundelkhand region, one of the most backward regions in India. Members also told about How to use water efficiently in agriculture and domestic use to enhance productivity. This campaign was focused to the primary school of the villages and to the residents too.

Outcome: All participants were committed to conserve water and to make people in their environs aware to conserve water. Some participants have planned to begin a 'drive to make people aware'.

Yoga Camp Report under Unnat Bharat Abhiyan

(Yoga Camp at Atta Gujran by the Unnat Bharat Abhiyan Team)

Date of Yoga Camp: 25/09/2019

Time: 06:00AM to 7:30AM

Venue: Mata Shankri Devi Public School, Atta Gujran

Members Present:

- 1. Mr. Sandeep Kumar (Coordinator)
- 2. Dr. Kuldeep Malik (CSE)
- 3. Mr. Surendra Singh (ASH)
- 4. Mr. SachinSinha (MBA)

Objective: To make aware about benefits of yoga and the right way to do yoga.

Report:

A few minutes of Yoga during the day can be a great way to get rid of stress that accumulates daily, in both, body and the mind. Yoga postures, Pranayama and meditation are effective techniques to release stress. Meditation is relaxation and rejuvenates the body and mind.

In view of this, Dr. Kuldeep Malik has successfully organized YOGA's demonstration, lecture and little bit of competitions inside the school premises on 25th September 2019. More than 50 students of the school along with teaching and non-teaching staffs have taken part and effectively performed the various hard and easy steps of Yoga under the guidance of instructor Dr. Kuldeep Malik and his two gentle and friendly trainees.

Outcome: All the participants got knew about different kinds of Yoga Aashana and the right procedure to do those *Aashana*.
